

## **“Earn While You Learn”**

The “Earn while You Learn” is initiative to encourage the students to use their immense potential as a valuable human resource. It intends to provide opportunity to the students to earn while they learn by application of their learning in exploiting the opportunities available.

The objective of the programme:

- To give the students hands on experience and thereby prepare them better for taking up assignments and jobs in future.
- To provide opportunity to a meritorious student to earn a reasonable amount to meet expenses.
- To involve students in development of the institution.

The benefits of the programme:

- Exposure to the world of work before actual employment
- Addition of value to the resume of the students.
- Enable the students to explore their subject preferences and develop them into a career.
- Encourages young students to learn about dignity of labour
- Prevents students from avoidable distractions and engages them in meaningful, positive activities.

Scope of the programme:

It shall involve any kind of Job/Work assignment relevant to the key skills of the Institute. The enlisted categories are not exclusive. Students / Faculties are most welcome to use their discretion in selection of assignment subject to its relevance.
